OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding $\frac{1}{2}$ an ounce, 8 Annas,... (1 Shillings)
 Above $\frac{1}{2}$, and not exceeding 1 ounce,
 1 Rupee, (2 Shillings)
 Above 1, and not exceeding 2 ounces,
 2 Rupees, (4 Shillings)
 Above 2, and not exceeding 3 ounces,
 3 Rupees, (6 Shillings)
 And so on, increasing 1 Rupee,..... (2 Shillings)
 for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

“BRITISH POSTAGE PRE-PAID,
 “Via Southampton.”

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Ben-tinck and Hindostan.

 Deputy Post Master.

No. 2.—Report of the Examination of such Opium.

15th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1844-45, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a Statement of the average weight of Six Chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium.

Article of the Convention above referred to. "Article 6th.—"With regard to the Trade in Opium it is agreed between the High Contracting Parties that at each of the periodical Sales of that Article there shall be reserved for the French Government and delivered upon requisition fully made by

"the Agents of His Most Christian Majesty, persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed three hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, it being understood that, if the quantity of Opium applied for at any one time shall not be taken on account of the French Government, by the Agents of His Most Christian Majesty, within the usual period of delivery, the quantity so applied for, shall nevertheless be considered as so much in reduction of the three hundred Chests herein before mentioned, the requisitions for Opium, as aforesaid, are to be addressed to the Governor General at Calcutta, within thirty days after notice of the intended Sales shall have been published in the Government Gazette."

LEGISLATIVE,

THE 13TH DECEMBER, 1845.

PROCLAMATION.

Whereas a Treaty between His Majesty the
King of Denmark and the Honourable the East
India Company was concluded and signed in
Calcutta, on the Twenty-second day of February,
in the year of our Lord One Thousand Eight
Hundred and Forty-five:

And whereas by the 1st Article of the said
Treaty His said Majesty the King of Denmark
engaged for a certain consideration therein speci-
fied, to transfer the Danish Settlements on the
Continent of India, with all the Public Buildings
and Crown Property thereunto belonging to the
said Company:

And whereas by the 4th Article of the said
Treaty it was provided that the Inhabitants of the
aforesaid Settlements, Europeans as well as Na-
tives, who should continue to reside within the
Settlements, should be placed under the protection
of the General Law of British India, and their re-
ligions, personal or acquired rights as formerly
enjoyed under the Danish Government should be
respected as all rights of person or property are
throughout British India. And that all suits com-
menced and pending in the Danish Courts at the
time when the Treaty should come into force
should be carried on and decided by the same
Law as far as altered circumstances would allow.
And that the same should be observed in all cases
of Appeal subsequent to the Treaty, but no com-
plaint or suit which should have been finally
settled and decided under the Danish Adminis-
tration and not appealed in due time under ob-
servance of the rules for appeal then in force,
should be deemed appealable; nor should it be
lawful to bring forward again subsequently to the
conclusion of the said Treaty, by petition, com-
plaint, or otherwise, such cases as should have
already been finally determined by competent
authority.

And whereas in pursuance of the said Treaty
the Town of Tranquebar, on the Coromandel
Coast, with its Dependent Districts, and all the
Public Buildings and Crown property thereunto
belonging, were transferred by His said Majesty
the King of Denmark to the said Company on the
7th day of November, in the year of Our Lord
One Thousand Eight Hundred and Forty-five:

It is therefore hereby declared, that the Inhabi-
tants of the said Town and Districts, Europeans as
well as Natives, who continue to reside within the
Settlements, are placed under the protection of the
general Law of British India, and their religions,
personal or acquired rights, as formerly enjoyed
under the Danish Government, shall be respected
as all rights of person or property are throughout
British India.

And it is hereby further declared, that all suits
commenced and pending in the Danish Courts of
the said Town and Districts at the time when the
Treaty came into force shall be carried on and
decided by the same Law as far as altered cir-
cumstances will allow, and that the same shall be
observed in all cases of Appeal subsequent to the
Treaty, but no complaint or suit which has been
finally decided under the Danish Administration
and not appealed in due time under observance of
the rules for appeal then in force shall be deemed
appealable, nor shall it be lawful to bring forward
again subsequently to the conclusion of the said
Treaty, by petition, complaint or otherwise, such

OVERLAND PRE-PAID LETTERS.

NOTICE—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding $\frac{1}{2}$ an ounce, 8 Annas, ... (1 Shillings)
Above $\frac{1}{2}$, and not exceeding 1 ounce,
1 Rupee, (2 Shillings)
Above 1, and not exceeding 2 ounces,
2 Rupees, (4 Shillings)
Above 2, and not exceeding 3 ounces,
3 Rupees, (6 Shillings)
And so on, increasing 1 Rupee, (2 Shillings)
for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

“BRITISH POSTAGE PRE-PAID,”

“Via Southampton.”

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject

to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Ben-tinck and Hindostan.

MEAN TIME was this day shown at the Shipping in the River from the Scintilla Tower in the Fort, Two Seconds before Mean Noon.

GEORGE WARREN, Lt. Col.,
Fort William, 17th December, 1845.

NOTICE.

THE Civil Auditor has more than once, he regrets to say, with inadequate success, called the attention of the Heads of Departments to the necessity of giving with their Monthly Abstracts of Establishment, distinct particulars of their Absent Subordinates and of themselves who are liable to retrenchment in certain cases by the Civil Auditor, when on leave of absence either on Medical or private affairs. Inattention to this imposes upon his Department the labour of tedious research to ascertain the dates they relinquish and resume their respective duties, and is a natural consequence delay in Auditing the Abstracts. The Civil Auditor therefore once more begs publicly to bring the circumstance to the notice of the Departments, and to explain that, the more facilities are afforded, the more dispatch will follow in Auditing their Pay and Allowances.

W. H. BELLI,
Civil Auditor.

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding $\frac{1}{2}$ an ounce, 8 Annas, ... (1 Shillings)
Above $\frac{1}{2}$, and not exceeding 1 ounce,
1 Rupee, (2 Shillings)
Above 1, and not exceeding 2 ounces,
2 Rupees, (4 Shillings)
Above 2, and not exceeding 3 ounces,
3 Rupees, (6 Shillings)
And so on, increasing 1 Rupee, (2 Shillings)
for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,
"Via Southampton."

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postage, are exclusive of the India ordinary inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Receiver's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Ben-tinck and Hindostan.

Deputy Post Master.

2d.—The Opium to be offered for Sale at an Upset Price of Rupees 400 per Chest, and to be all sold to the highest bidder above that price.

3d.—If at the above Sale the entire quantity of 6 500 Chests shall not be sold, it shall subsequently be competent for the Board of Customs, Salt and Opium to dispose of the lots which remain on hand at future Sales.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 1,000 Rupees per Lot or 200 Rupees per Chest, shall be made by the Purchaser in the Sale Room, and before the Lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of Purchasers at the Office by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Monday the 19th January 1846, or, on the other hand, failing such redemption by the time aforesaid, then the Lot or Lots for which no Sub-Treasurer's Receipts, or Deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such Conditions of Re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expenses whatsoever attending such Re-sale, shall be borne and paid by the Defaulters, whilst any profit accruing from such Re-sale shall be forfeited to Government.

10th.—The Sub-Treasurer's Receipts, or Deposit of Public Securities, under the 8th of the present Conditions, shall be retained in the Office, except from the party recorded in the Sale Book, or his authorized Agent. 13th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

No. 1.—Certificate of the Opium now advertised for Sale.

No. 2.—Report of the Examination of such Opium.

15th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1844-45, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a Statement of the average weight of Six Chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium.

16th.—Four Chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—The Public are hereby informed, that in addition to the quantity abovementioned, the following quantities more or less of Behar and Benares Opium will be brought to Sale this year on or about the dates specified below.—

If the Agents of the French Government shall not make the requisition for Opium within the time abovementioned, the entire quantity of about 22,064 Chests of Behar and Benares as above estimated, will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertised for Sale, at each or any of the five Sales abovementioned.

tioned, but shall not pay for it within the prescribed period of payment, the Deputy Governor of Bengal reserves to himself the right of disposing of the Opium, which the French Authorities may so fail to pay for, either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

Article of the Convention above referred to. **ARTICLE 6th.**—"With regard to the Trade in Opium it is agreed between the High Contracting Parties that at each of the periodical Sales of that Article there shall be reserved for the French Government and delivered upon requisition duly made by the Agents of His Most Christian Majesty, or by the persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed three hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, it being understood that, if the quantity of Opium applied for at any one time shall not be taken on account of the French Government, by the Agents of His Most Christian Majesty, within the usual period of delivery, the quantity so applied for, shall nevertheless be considered as so much in reduction of the three hundred Chests herein before mentioned, the requisitions for Opium, as aforesaid, are to be addressed to the Governor General at Calcutta within thirty days after notice of the intended Sales shall have been published in the Government Gazette."

GENERAL POST OFFICE NOTIFICATION.

WITH a view of meeting wishes of the Community by expediting as far as possible the delivery of Overland Letters, the following arrangements have been made, and are hereby notified for public information.

The moment the Overland Mail reaches this Office, a large black ball will be hoisted half-mast high, on the mast erected on the roof of the building.

When the Letters are stamped, sorted, registered and ready for delivery, the ball will be raised to the mast head.

Parties sending their own Peons with money for payment of the postage on beating covers, will of course receive them sooner than those who wait for their delivery by the Office Peons.

As the Mails usually arrive late in the afternoon the Office Peons can seldom go out for delivery before nightfall.

All those therefore, whether Agents or Individuals, who wish to receive their letters during the night, are requested to make some arrangement for their receipt and for the payment of postage charged, by *keeping in attendance* at their House or Office, when their Letters are *usually delivered* some person authorized and prepared to receive and pay for them without delay.

Parties experience any improper or unusual delay in the delivery of their Letters, are requested to communicate the particulars of the case without delay to the Post Master General.

FORT WILLIAM,
FOREIGN DEPARTMENT,
THE 22^d DECEMBER, 1845.

The Hon'ble the President of the Council of India in Council is pleased to publish, by authority of the Right Hon'ble the Governor General of India, the following Proclamation:

PROCLAMATION

BY THE RIGHT HON'BLE THE GOVERNOR
GENERAL OF INDIA.

The British Government has ever been on terms of Friendship with that of the Punjab.

In the year 1809, a Treaty of Amity and Concord was concluded between the British Government and the late Maha Rajah Runjeet Sing, the conditions of which have always been faithfully observed by the British Government, and were scrupulously fulfilled by the late Maha Rajah.

The same friendly relations have been maintained with the successors of Maha Rajah Runjeet Sing by the British Government up to the present time.

Since the death of the late Maha Rajah Shere Sing, the disorganized state of the Lahore Government has made it incumbent on the Governor General in Council to adopt precautionary measures for the protection of the British Frontier, the nature of these measures and the cause of their adoption were at the time fully explained to the Lahore Durbar.

Notwithstanding the disorganized state of the Lahore Government during the last two years, and many most unfriendly proceedings on the part of the Durbar, the Governor General in Council has continued to evince his desire to maintain the relations of Amity and Concord which had so long existed between two States for the mutual interests and happiness of both. He has shown on every

occasion the utmost forbearance from consideration to the helpless state of the infant Maha Rajah Dulleep Sing, whom the British Government had recognized as the successor to the late Maha Rajah Shere Sing.

The Governor General in Council sincerely desired to see a strong Sikh Government re-established in the Punjab, able to control its Army, and to protect its subjects: He had not, up to the present moment, abandoned the hope of seeing that important object effected by the patriotic efforts of the Chiefs and people of that country.

The Sikh Army recently marched from Lahore towards the British Frontier, as it was alleged by the orders of the Durbar, for the purpose of invading the British Territory.

The Governor General's Agent, by direction of the Governor General, demanded an explanation of this movement—and no reply being returned within a reasonable time, the demand was repeated. The Governor General, unwilling to believe in the hostile intentions of the Sikh Government, to which no provocation had been given, refrained from taking any measures which might have a tendency to embarrass the Government of the Maha Rajah, or to induce collision between the two States.

When no reply was given to the repeated demand for explanation, and while active Military preparations were continued at Lahore, the Governor General considered it necessary to order the advance of Troops towards the Frontier to reinforce the Frontier posts.

The Sikh Army has now, without a shadow of provocation, invaded the British Territories.

The Governor General must therefore take measures for effectually protecting the British Provinces—for vindicating the authority of the

British Government, and for punishing the violators of Treaties and disturbers of the public peace.

The Governor General hereby declares the possessions of Maha Rajah Dulleep Sing on the left, or British Bank of the Sutlege, confiscated and annexed to the British Territories.

The Governor General will respect the existing rights of all Jagheerdars, Zemindars and Tenants in the said possessions, who, by the course they now pursue, evince their fidelity to the British Government.

The Governor General hereby calls upon all the Chiefs and Sudars in the Protected Territories to co-operate cordially with the British Government for the punishment of the common Enemy, and for the maintenance of order in these States. Those of the Chiefs who shew alacrity and fidelity in the discharge of this duty which they owe to the Protecting Power, will find their interests promoted thereby, and those who take a contrary course will be treated as enemies to the British Government, and will be punished accordingly.

The Inhabitants of all the Territories on the left Bank of the Sutlege are hereby directed to abide peaceably in their respective villages, where they will receive efficient protection by the British

Government. All parties of men found in armed bands, who can give no satisfactory account of their proceedings, will be treated as disturbers of the Public Peace.

All subjects of the British Government and those who possess Estates on both sides the River Sutlege, who, by their faithful adherence to the British Government, may be liable to sustain loss, shall be indemnified and secured in their just rights and privileges.

On the other hand, all subjects of the British Government, who shall continue in the service of the Lahore State, and who disobey this Proclamation by not immediately returning to their allegiance, will be liable to have their property on this side the Sutlege confiscated, and declared to be Aliens and Enemies of the British Government.

GENERAL POST OFFICE NOTIFICATION.

Inward Overland Packet Signal.

WITH a view of meeting the wishes of the Community by expediting as far as possible, the delivery of Overland Letters, the following arrangements have been made, and are hereby notified for public information.

The moment the Overland Mail reaches this Office, a large black ball will be hoisted half-mast high, on the mast erected on the roof of the building.

When the Letters are stamped, sorted, registered and ready for delivery, the ball will be raised to the mast head.

Parties sending their own Peons with money for payment of the postage on "bearing covers," will of course receive them sooner than those who wait for their delivery by the Office Peons.

As the Mails usually arrive late in the afternoon the Office Peons can seldom go out for delivery before nightfall.

All those therefore, whether Agents or Individuals, who wish to receive their letters during the night, are requested to make some arrangement for their receipt and for the payment of postage charged, by *keeping in attendance* at their House or Office, when their Letters are usually delivered some person authorized and prepared to receive and pay for them without delay.

Parties experiencing any improper or unusual delay in the delivery of their Letters, are requested to communicate the particulars of the case without delay to the Post Master General.

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding $\frac{1}{4}$ an ounce, 8 Annas, ... (1 Shillings)

Above $\frac{1}{4}$, and not exceeding 1 ounce,

1 Rupee, (2 Shillings)

Above 1, and not exceeding 2 ounces,

2 Rupees, (4 Shillings)

Above 2, and not exceeding 3 ounces,

3 Rupees, (6 Shillings)

And so on, increasing 1 Rupee, (2 Shillings)

for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,

"Via Southampton."

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N.B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Ben-tinck and Hindostan.

POST OFFICE NOTIFICATION.

P. and O. Steamers.

THE Bi-monthly Overland Communication having now been regularly established between this Country and Europe, and the arrangements for the conveyance of the Mails, direct, between Calcutta and Suez, finally completed and brought into operation; Notice, accordingly, is hereby given, that the rates of Postage charged on Letters and Papers carried by the Government Steamers from and to Bombay, will likewise be levied, in future, on Letters and Newspapers conveyed by the Peninsular and Oriental Company's Vessels, from and to Calcutta, both by way of Southampton, and via Marseilles.

1. The rules relative to the former, having also been made applicable, in every respect, to the latter, are subjoined for the information and guidance of the Public, in general. The scale of British Steam Postage, is, as follows, viz.

On every letter not exceeding $\frac{1}{2}$ an ounce in weight,8 As. or one Shilling.

On ditto above $\frac{1}{2}$ oz. and not exceeding one ounce,1 R. or two ditto.

On ditto above 1 oz. and not exceeding two ounces,2 Rs. or four ditto.

On ditto above 2 oz. and not exceeding three ounces, ...3 Rs. or six ditto.

and so on, increasing One Rupee, or Two Shillings, for every additional ounce weight, or any fraction thereof.

2. British weights not being generally available in this country, the following coins of the Hon'ble Company's currency, are recommended as the best substitutes:

In lieu of $\frac{1}{2}$ an ounce..... One Rupee and One Copper Pie.

In lieu of one ounce..... Two Copper Half Anna Pieces (or Double Pice) and One Pie—the former Coins are procurable by paying the equivalent, at the Mint.

3. Every person confining his English correspondence to the weight of the two former Coins, will be certain of being within the weight prescribed for a single Steamer Letter, and every Letter not exceeding the aggregate weight of the three latter Coins, will, in like manner, be within the weight allowed for a double Steamer Letter.

4. Steam Postage on Letters for Foreign and Continental Europe, or any place to which Great Britain does not necessarily form a channel of communication, forwarded via "Marseilles," as well as letters for Egypt, Syria, Turkey, Greece, and the Mediterranean Islands, subject to Red Sea (Steam) Postage, *must*, as heretofore, be pre-paid in this country.

5. Steam Postage on Letters for the United States or British Colonies in America, or the West Indies (unless addressed to Agents in Great Britain,) *cannot* be pre-paid in this country, whether sent by way of "Marseilles," or via Southampton.

6. The same rule applies equally to Letters for the United Kingdom, comprising England, Scotland, Ireland, Wales, and all the British Islands, despatched through "Marseilles," and also to those for the Continent of Europe, transmitted by way of "Southampton."

7. Letters for any Foreign country, directed to an Agent in England, will be received and disposed of, as if addressed to the United Kingdom.

8. The optional pre-payment of Steamer Postage, applies only to Letters sent, by the "Southampton" Route, to places within the United Kingdom, and vice versa.

9. The Term "Paid (or Pre-paid," which is synonymous) being the distinctive mark (indicative of the wishes of Senders) and the only guide for the Post Office Receivers, all Letters for the United Kingdom via "Southampton," which may be so marked, will, accordingly, be charged with Steamer Postage, and such as are not so superscribed, will be sent "Bearing."

10. The Inland (Indian) Postage which is quite distinct from, and always levied in addition to, Steam Postage, *must* be paid in advance, by the Sender, at the Posting Office, on Letters forwarded from out Stations to Calcutta or Bombay, or from either one Presidency to the other, for transmission by the Steamers, and vice versa, that is, by the Addressee at the Receiving Office. The word paid, therefore, should not be put on any Letter, except on those on which Senders, having the option, intend to Pre-Pay Steam Postage also.

11. No Letter exceeding 12 tolas, (a fraction under 5 ounces, in weight can be transmitted per Letter Mail; but if forwarded by Government Banghy Post, or otherwise sent to Bombay or Calcutta, it may be despatched by the Steamer, from either Presidency.

12. It is particularly requested, that Letters and Papers from the Mofussul, intended for despatch by the Overland Mail, from Calcutta, may be accordingly superscribed, for the guidance of the person who originally receives such Letters at the Posting Office. The route (Southampton or Marseilles) by which they are intended to be forwarded, should always be clearly specified also. Any Letter not marked "Per Steam," or "Overland," will be sent by a Sailing Vessel. In order to avoid mistakes, the name of the country, which a Letter is destined to, (England for example,) should be the last word in the superscription. Letters posted in Calcutta for despatch via Bombay should be accordingly directed.

13. Although $\frac{1}{2}$ ounce is the single weight for regulating Steamer Postage charge, the quarter tola continues to be the single weight for Inland Postage to Bombay, which Letter (from Calcutta to that Presidency,) amounts to Seven Annas.

14. An extra charge of One Rupee for every half tola weight, is made on Letters sent by the Overland Express from Calcutta to Bombay, and no Letter above one tola weight can be forwarded by such conveyance. Thus, for instance, a Pre-Paid Steam Letter of one tola weight, posted in Calcutta for transmission, via Bombay, would be charged with Postage, amounting to Rs. 3-6-0, viz:

Ordinary Inland Postage,.....	0	14	0
Express ditto,	2	0	0
Steam ditto,	0	8	0
Total Rs.	3	6	0

15. It is requested that no Firm or individual will send Letters exceeding Two Tolas Weight in the aggregate, and that each Letter be superscribed "Overland Express" when intended for such conveyance.

16. The Tola Weight above mentioned is equal to 180 Grains Troy, being the Standard Weight of the Company's Rupee.

17. Postage is levied according to the prescribed weight, without reference to the quality or quantity of the Paper.

18. No Steam Postage whatever is charged in India on Newspapers sent from this country, but Inland Postage to, and from, Bombay must be paid.

19. Receipts, if required, must be brought ready written, along with the Letters, &c. to the Post Office.

The foregoing explanation is given in detail, for the express purpose of preventing mistakes and consequent disappointment.

Any further change that may, hereafter, take place, will be duly notified.

L. J. H. GREY,
Post Master General.

NOTICE.

THE Civil Auditor has more than once, he regrets to say, with inadequate success, called the attention of the Heads of Departments to the necessity of giving with their Monthly Abstracts of Establishment, distinct particulars of their Absent Subordinates and of themselves who are liable to retrenchment in certain cases by the Civil Auditor, when on leave of absence either on Medical or private affairs. Inattention to this imposes upon his Department the labour of tedious research to ascertain the dates they relinquish and resume their respective duties, and as a natural consequence delay in Auditing the Abstracts. The Civil Auditor therefore once more begs publicly to bring the circumstance to the notice of the Departments, and to explain that, the more facilities are afforded, the more dispatch will follow in Auditing their Pay and Allowances.

NOTICE.

THE Civil Auditor has more than once, he regrets to say, with inadequate success, called the attention of the Heads of Departments to the necessity of giving with their Monthly Abstracts of Establishment, distinct particulars of their Absent Subordinates and of themselves who are liable to retrenchment in certain cases by the Civil Auditor, when on leave of absence either on Medical or private affairs. Inattention to this imposes upon his Department the labour of tedious research to ascertain the dates they relinquish and resume their respective duties, and as a natural consequence delay in Auditing the Abstracts. The Civil Auditor therefore once more begs publicly to bring the circumstance to the notice of the Departments, and to explain that, the more facilities are afforded, the more dispatch will follow in Auditing their Pay and Allowances.

GENERAL POST OFFICE NOTIFICATION.

Intra d Overland Packet Signal.

WITH a view of meeting the wishes of the Community by expediting as far as possible, the delivery of Overland Letters, the following arrangements have been made, and are hereby notified for public information.

The moment the Overland Mail reaches this Office, a large black ball will be hoisted half-mast high, on the mast erected on the roof of the building.

When the Letters are stamped, sorted, registered and ready for delivery, the ball will be raised to the mast head.

All those therefore, whether Agents or Individuals, who wish to receive their letters during the night, are requested to make some arrangement for their receipt and for the payment of postage charged, by keeping in attendance at their House or Office, when their Letters are usually delivered some person authorized and prepared to receive and pay for them without delay.

Parties experiencing any improper or unusual delay in the delivery of their Letters, are requested to communicate the particulars of the case without delay to the Post Master General.

An account of the weight of the Drug when packed at Behar and Benares, and a Statement of the average weight of Six Chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium.

If the Agents of the French Government shall not make the requisition for Opium within the time abovementioned, the entire quantity of about 22,064 Chests of Behar and Benares as above estimated, will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertised for Sale, at each or any of the five Sales abovementioned.

tioned, but shall not pay for it within the prescribed period of payment, the Deputy Governor of Bengal reserves to himself the right of disposing of the Opium, which the French Authorities may so fail to pay for, either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

Article of the Convention above referred to. "to the Trade in Opium it is agreed between the High Contracting Parties that at each of the periodical Sales of that Article there shall be reserved for the French Government and delivered upon requisition duly made by the Agents of His Most Christian Majesty, or by the persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed three hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, it being understood that, if the quantity of Opium applied for at any one time shall not be taken on account of the French Government, by the Agents of His Most Christian Majesty, within the usual period of delivery, the quantity so applied for, shall nevertheless be considered as so much in reduction of the three hundred Chests herein before mentioned, the requisitions for Opium, as aforesaid, are to be addressed to the Governor General at Calcutta, within thirty days after notice of the intended Sales shall have been published in the Government Gazette."

By Order of the Board of Customs, Salt and Opium,
H. TORRENS, Secretary.

LEGISLATIVE,

THE 27TH DECEMBER, 1845.

The following Act is brought up before the Legislative Council this day—Resolved, that the Rules requiring that all Acts shall be brought up for second reading in two months or in three months from the date of the first reading, be suspended in respect to the following Proposed Act, and that it be at once passed into Law, the assent

of the Right Hon'ble the Governor General of India having been obtained and recorded.

ACT No. XXXII. of 1845.

An Act to modify Regulation I. of 1820 of the Madras Code, relative to Manufacturing Spirituous Liquors by the European process of distillation.

I. Whereas it is expedient to modify Regulation I of 1820 of the Madras Code, and to allow persons manufacturing Spirituous Liquors by the European process of distillation to dispose of the same under certain conditions for consumption within the Territories of the Presidency of Fort St. George; and whereas it is desirable to remove certain doubts which have existed as to whether European British subjects are equally with other parties amenable to the Local Authorities in the Provinces for offences committed in violation of the said Regulation I of 1820 of the Madras Code, it is hereby enacted, that Clauses 2 and 3, Section IV. Regulation I. 1820 of the said Code, be repealed.

II. And it is hereby enacted, that the Licenses to be granted under Section IV. Regulation I. 1820 of the Madras Code, for the establishment of all Distilleries for manufacturing Rum, Arrack or other Spirits by process of distillation similar to the European system, shall be prepared according to a form to be approved by the Board of Revenue, and shall contain a stipulation that the whole of the Spirituous Liquor manufactured at such Distillery shall be exported by Sea, or shall be sold only to the Civil or Military Officers of Government empowered to purchase the same on account of the Public Service, or to Abkarry Renters for retail sale within the limits of their respective firms, but not to the licensed retail dealers of Madras contemplated by Section VII Regulation I. 1813 of the Madras Code.

III. And it is hereby enacted, that any person, whether European or not, who in breach of the stipulation in his Distillery License held under the provisions of the foregoing Section and of Clause I Section IV. Regulation I. 1820 Madras Code, shall directly or indirectly, sell or permit to be sold any such Spirituous Liquors to any European Sailor or Soldier, or to any Native of India, or other person, save and except to those persons to whom it is heretofore declared that such Liquors may be lawfully sold, shall, on proof thereof to the satisfaction of the Collector of Revenue, by whom such License shall have been granted be liable to the forfeiture of his License, or to a fine not exceeding Rupees 1,000 for every such offence, subject to the confirmation of the Board of Revenue, to whose final decision every such case shall be referred.

IV. And it is hereby enacted, that European British subjects, as well as other parties guilty of the offences specified in Regulation I. of 1820, shall on conviction before the Session Judge or Subordinate Judge of the Zillah, be subject to the penalties therein severally and respectively provided against the commission of such offences save and except that no European British subject shall in any case be liable to hard labor when imprisoned in pursuance of a sentence passed upon him under that Regulation, but that any fine which may be imposed for any offence in breach of the provisions of the said Regulation or of the provisions of Sections 2 and 3 of this Act, shall in default of payment be levied by the Collector and sold off the property of the offender, and from whom such fine shall have been adjudged.

V. And provided also, that it shall be lawful for the Session Judge or Subordinate Judge of the Zillah in sentencing any European British subject to imprisonment to direct that the imprisonment shall be in the Gaol at Madras.

VI. And it is hereby enacted, that the Gaoler of the Gaol at Madras shall receive into the said Gaol any European British subject so sentenced as aforesaid and keep him there imprisoned during the term of his sentence in the same manner as if he had been sentenced by the Supreme Court.

NOTICE.

THE Civil Auditor has more than once, he regrets to say, with inadequate success, called the attention of the Heads of Departments to the necessity of giving with their Monthly Abstracts of Establishment, distinct particulars of their Absent Subordinates and of themselves who are liable to retrenchment in certain cases by the Civil Auditor, when on leave of absence either on Medical or private affairs. Inattention to this imposes upon his Department the labour of tedious research to ascertain the data they relinquish and resume their respective duties, and as a natural consequence delay in Auditing the Abstracts. The Civil Auditor therefore once more begs publicly to bring the circumstance to the notice of the Departments, and to explain that, the more facilities are afforded, the more dispatch will follow in Auditing their Pay and Allowances.

GENERAL POST OFFICE NOTIFICATION.

Inward Overland Packet Signal.

WITH a view of meeting the wishes of the Community by expediting as far as possible, the delivery of Overland Letters, the following arrangements have been made, and are hereby notified for public information.

The moment the Overland Mail reaches this Office, a large black ball will be hoisted half-mast high, on the mast erected on the roof of the building.

When the Letters are stamped, sorted, registered and ready for delivery, the ball will be raised to the mast head.

Parties sending their own Peons with money for payment of the postage on "bearing covers," will of course receive them sooner than those who wait for their delivery by the Office Peons.

As the Mails usually arrive late in the afternoon the Office Peons can seldom go off for delivery before nightfall.

All those therefore, whether Agents or Individuals, who wish to receive their letters during the night, are requested to make some arrangement for their receipt and for the payment of postage charged, by keeping in attendance at their House or Office, when their Letters are usually delivered some person authorized and prepared to receive and pay for them without delay.

Parties experiencing any improper or unusual delay in the delivery of their Letters, are requested to communicate the particulars of the case without delay to the Post Master General.

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding $\frac{1}{2}$ an ounce, 8 Annas,...	(1 Shillings)
Above $\frac{1}{2}$, and not exceeding 1 ounce,	
1 Rupee,	(2 Shillings)
Above 1, and not exceeding 2 ounces,	
2 Rupees,	(4 Shillings)
Above 2, and not exceeding 3 ounces,	
3 Rupees,	(6 Shillings)
And so on, increasing 1 Rupee,.....	(2 Shillings)
for every additional ounce, or fraction of the ounce.	

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,

"Via Southampton."

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Bannick and Hindostan.

Deputy Post Master.
